

APPLICATION FOR CNA CLASSES AT CPR WITH MICKEY, INC.

Name \_\_\_\_\_

Full Address \_\_\_\_\_

Telephone #1 \_\_\_\_\_ #2 \_\_\_\_\_

SS # \_\_\_\_\_ DOB \_\_\_\_\_

Are you a High School Graduate?      YES              NO

Are you a US Citizen?                      YES              NO

Have you been convicted of a felony?    YES              NO

Do you have any physical limitations that would keep you from providing care to another person?  
YES              NO

Do you have stable transportation?      YES              NO

What size uniform do you need? \_\_\_\_\_

\*samples are available to try on at our office to ensure correct sizing. One uniform is included with tuition. Additional sets of uniforms are available for purchase for \$20.00.

CNA class is at least the state mandated 85 hours which included 24 hours of clinicals on-site at a long-term care facility.

Cost of class is \$595.00 and includes: class instruction; one uniform; stethoscope; CNA textbook & workbook; Heartsaver First Aid textbook. \$95 is due with application and is non-refundable. \$250 is due prior to first day of class and the other \$250 due on or before day 4 of class. **Money Orders, Cash, Credit or Debit Cards are accepted forms of payment.**

Other Costs:

\*\*A requirement of starting clinicals is to complete a PPD (injection) which can be done at your local health department. Paulding County Health Dept 770-443-7881. If PPD is not completed prior to the first day of class, one will be administered to the student and the student will be charged \$15.00.

\*\*A criminal background search is required to begin clinicals. Students may complete this at the sheriff's office in the county which they live. A copy of the background search needs to be brought to the office the first day of class in order to participate in clinicals.

NNAAP test for certification is \$107.00, which is payable the final day of class.

After completion of class applications for all eligible students will be sent to NACES and students may test as early as 12 days after completion of class. CPR with Mickey is a NACES test site so you can choose to test here or any number of other sites around the state.

Please note which class starting date you are applying for \_\_\_\_\_
